## About Us

Welcome to Howly National Science Academy, a premier institute for higher secondary education in lower Assam. Our fully residential separate hostel facilities for boys and girls, exceptional faculty, and state-of-the-art infrastructure make us the first high-quality science academy in the region.

Our highly experienced Ph.D. holder faculties provide unparalleled expertise in both board as well as competitive examinations.

Howly National Science Academy is owned and managed by Alam Foundation, a trust known for its commitment to education in lower Assam. Our dedicated focus is on providing a transformative educational experience to our students.
